

Construction Skills opportunities : Penucheldre, Holyhead

Cymdeithas Tai Eryri and K&C Construction are about to start an Extra Care Scheme development worth £8 million on the present Penucheldre site in Holyhead.

The duration of the Construction Agreement is over 2 years and K&C Construction as part of the agreement are committed to offering a number of training placements for local people in the construction, admin. and management, plumbing and electrical fields.

Cymdeithas Tai Eryri and K&C Construction have arranged a special event to raise awareness of these opportunities. An opportunity to receive more information, and other partners will be available to offer advice and guidance on the training opportunities available.

Come and see if there is an opportunity here for you to start an exiting career in the construction industry through this pioneering development.
